To get our emails, youâ€™ll need to exempt it from the filtering SpamButcher does. To do that, you add our From address to your Known Senders List.

- » First, get the From address from your most recent email from us.
- » Open Spam Butcher.
- » Click the Configure button.
- » Choose the Known Senders tab.
- » In Known Good Senders and Recipients, click Add.
- » In the space provided, type or paste the From address from your most recent email from us.
- » Click OK.
- » Click OK again.

Thanks for whitelisting Resale Enterprises.
