To get our emails, youâ€™ll need to exempt our From address from the SpamCop filtering process. To do this, you add it to your Whitelist.

- » First, get the From address from your most recent email from us.
- » Open your web browser and go to: <http://webmail.spamcop.net/>
- » Log into your SpamCop account.
- » In the toolbar, click on the Options icon.
- » Under Mail Management, click SpamCop Tools.
- » Choose Manage your personal whitelist.
- » Find the place where it reads "Click here to add to your whitelist", and click on Click here.
- » In the first empty slot, type or paste in the From address from your most recent email from us.
- » Click Submit.

Thanks for whitelisting Resale Enterprises.
