To get our emails, you'll need to exempt it from the filtering SpamNet does. To do that, you add our From address to your Whitelist.

- » First, get the From address from your most recent email from us.
- » In your Outlook Inbox, find the SpamNet toolbar and click Options.
- » Choose Advanced.
- » Click the Whitelist tab.
- » Click the Add button.
- » Type or paste into the supplied space the From address from your most recent email from us.
- » Click the OK button.
- » Click OK again, then Yes, then OK one last time.

Thanks for whitelisting Resale Enterprises.
