To get your emails from us, youâ€™ll need to exempt it from the filtering CleanMyMailbox does. To do that, you add our From address to your Whitelist.

- » First, get the From address from your most recent email from us.
- » Open CleanMyMailbox and click the Whitelist button.
- » Type or paste into the space provided the From address from your most recent email from us.
- » Click the Submit List button

Thatâ€™s all there is to it. Thanks for whitelisting Resale Enterprises.
